[Intro]

Here we go

On this rollercoaster life we know

With those crazy highs and real deep lows

I really don't know why

And I will go

To the farthest place on earth I know

I can travel all the road, you see

'Cause I know you're there with me

You don't have to slow me down

Cause I will always be around

I will find my way back home

Where magnolia grows, where magnolia grows

[Instrumental]

But I guess you know

Why I do what I do and where I go

I try to fill an empty space inside

But I can't do that without you

You're even with me in my dreams

I see a sail, the seven seas

I will try to find my way

You're always there tomorrow, you're always there tomorrow

Here we go

On this rollercoaster life we know

With those crazy highs and real deep lows

I really don't know why

And I will go

To the farthest place on earth I know

I can travel all the road, you see

'Cause I know you're there with me

You don't have to slow me down

Cause I will always be around

I will find my way back home

Where magnolia grows, where magnolia grows

Here we go
